Errata No. 1

I. Modification of clause 5.3.2

Add the "HDR Vivid Visual Recognition" item to Table 3, with the following technical requirements: "1) After receiving the HDR Vivid signal and adapting to HDR Vivid display, the display device shall automatically display the logo or text specified in UWA-TC-HDR-302 (Jingcai HDR or HDR Vivid) for a duration of not less than 3 seconds, or provide a menu for display; 2) If no HDR Vivid signal is received, the HDR Vivid logo should not be displayed."

II. Modification of Clause 5.3.3

Add the "HDR Vivid Visual Recognition" item to Table 4, with the following technical requirements: "1) Upon receiving an HDR Vivid signal and adapting to HDR Vivid display, the display device shall automatically display the logo or text specified in UWA-TC-HDR-302 (either 'Vivid HDR' or 'HDR Vivid') for a duration of not less than 3 seconds, or provide a menu for display; 2) If no HDR Vivid signal is received, the HDR Vivid logo should not be displayed."
